***Response to Amendment***

The replies filed on October 17, 2003 and November 12, 2003 are not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

Applicant has not addressed the 35 U.S.C. sec. 112 – first and second paragraph rejections. Additionally, the substitute specification does not comport with U.S.P.T.O. practice. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

***Specification***

The substitute specification filed October 17, 2003 has not been entered because it does not conform to 37 CFR 1.125(b) and (c). Specifically, Applicant has not provided a clean copy of the specification incorporating the revisions, and Applicant has not provided a statement that the substitute specification contains no new matter.

An examination of this application reveals that applicant is unfamiliar with patent prosecution procedure. While an inventor may prosecute the application, lack of skill in this field usually acts as a liability in affording the maximum protection for the invention disclosed. Applicant is advised to secure the services of a registered patent attorney or agent to prosecute the application, since the value of a patent is largely dependent upon

skilled preparation and prosecution. The Office cannot aid in selecting an attorney or agent.

Applicant is advised of the availability of the publication "Attorneys and Agents Registered to Practice Before the U.S. Patent and Trademark Office." This publication is for sale by the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402.

***Conclusion***

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Any inquiry concerning this communication or earlier communications from the Examiner should be directed to Kevin McDermott, whose telephone number is 703-308-8266.
